PAL LAB

Report on Multiplier Event Greece

Author: Maria Theodosiou

Date: 24.09.2024

Logistics of the Multiplier Event

On September 24th, 2024, in Thessaloniki, Greece, AeliaPath proudly hosted a significant Multiplier Event as part of the PAL Lab Erasmus+ Project. This event was held online and focused on fostering intercultural education and supporting inclusive practices for Roma children and youth. AeliaPath extended invitations to educators, mentors, Roma rights advocates, and specialists, gathering a group of dedicated professionals interested in applying the project's methodologies and resources in their contexts.

Event Highlights and Feedback

The event commenced with welcoming remarks and participant registration. As participants signed in, the team introduced the PAL Lab Erasmus+ Project, sharing its mission to support teachers, mediators, and specialists working with Roma communities. Attendees were then guided through the project's key achievements, such as the development of the Competence Matrix for educators and mediators, the Pedagogical Toolkit for trainers, and the PAL Lab e-learning platform. The team emphasized the value of these tools in promoting intercultural understanding and combating early school leaving.

The PAL Lab platform demonstration highlighted the e-learning modules available, encouraging participants to register and explore its resources. Feedback was overwhelmingly positive, with participants praising the project's comprehensive approach and practical applications. Discussions focused on the implementation of the Training Modules and the adaptability of the platform for diverse educational settings. Below is an outline of the key topics covered during the event:

- **Introduction to the PAL Lab Project**
- **Presentation of Main Project Results**
- **PR1: Competence Matrix**
 - Comprehensive overview of the Competence Matrix, including the State of the Art Review, Interviews with teachers and mediators, and the Synthesis Report.
- **PR2: Pedagogical Toolkit**
 - Introduction to the Pedagogical Toolkit, featuring templates, the Manual of Implementation, and the Training Modules developed and peer-reviewed.
- **PAL Lab Platform**

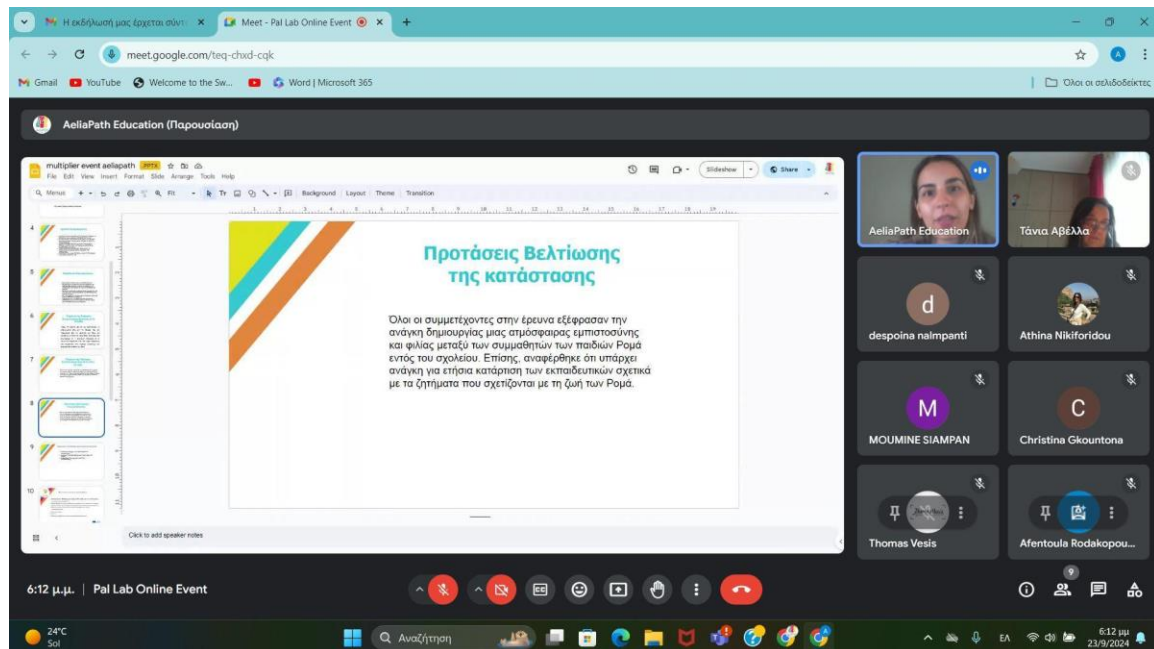

- Guided navigation of the PAL Lab website, registration on the e-learning platform, and an in-depth look at Module 3.

This event underscored the project's mission of promoting inclusive, intercultural education, equipping participants with practical tools to advance their work with Roma communities.

Pictures from the Multiplier Event

The screenshot shows a Zoom meeting interface. The main window displays a presentation slide with the following content:

Αποστολή Βασικών εργασιών (20 λεπτά)

- Παρουσιάστε κάθε ερωτησική εργασία μία προς μία και αφήστε τους συμμετέχοντες να συζητήσουν σε ζεύγη ή μικρές ομάδες.
- Ενθαρρύνετε τους συμμετέχοντες να μοιραστούν προοπτικές εμπειρίες, ιδέες και προβλήματα σχετικά με κάθε εργασία.
- Διαπραγματεύστε μια συζήτηση σε ολόκληρη την ομάδα μετά από κάθε εργασία για να συγκεντρώσετε διαφορετικές προοπτικές και ιδέες.
- Χρησιμοποιήστε τους άξονες ή το Prezi για να σημειώσετε τα βασικά σημεία και τις ιδέες που προέκυψαν κατά τη διάρκεια της συζήτησης.

Below the slide, it says: "Ο χρήστης AeliaPath παρουσιάζει".
